Map #36, Wetland Side Trail & short trail to pond

From the parking area, a short route leading directly to the pond has been opened. This side trail starts at the Crooked Toe Road parking area and crosses a stile to follow the Wetland Side Trail for 260 metres. This trail then connects to the Mclver Side Trail and after heading south for 165 metres a short 100 metre trail will take you to the pond. Please keep dogs on leash during the nesting months of May and June.

Wetland Side Trail = 260 m

Short trail from Mclver Side Trail to the pond = 100 m
