

**Peninsula
Map #36 – Boundary Bluffs**

A new 4.8 km side trail has been built on two Bruce Trail Conservancy owned properties adjacent to the Cape Croker Reserve. This side trail in conjunction with the main Trail and the Hart's Tongue Side Trail forms a 5.3 km loop. The new route takes you on a demanding trek up and down the escarpment taking in a variety of features with the genuine highlights being views of the Bluffs from below and a glorious lookout on top. Watch for evidence of the local black bear population.

Boundary Bluffs Side Trail = 4.8 km
