Map #3 – DeCew Bridge Temporary Closure

The DeCew bridge will be closed from October 13th until some time during the summer of 2010. Till that time, the temporary reroute will head east on Decew Rd and then south on the Merrittville Hwy till it connects with the Bert Lowe Side Trail turning right (west) to meet up with the main Trail.

New Temporary Route = 840 metres

New Route on Road = 640 metres

Temporarily Closed Route = 245 metres
