Third Line Side Trail - 250 m

This side trail leaves the main Trail and follows the Third Line road concession to roadside parking on Third Line.

Canada Goose Side Trail – 3 km

This side trail leaves the main Trail and goes through a beautiful open hardwood forest. Turning right toward Fourth Line it skirts the edge of Dufferin Aggregates Acton Quarry. Shortly after turning left it is joined by the Brown Benton Side Trail on the right. The Canada Goose Side Trail then continues to Regional Road 43 (22 Sideroad) where it terminates. The trail comes out at a steep hill on a blind curve. There are no shoulders and no roadside parking.

Brown Benton Side Trail - 1.1 km

This trail leaves the main Trail and follows the treed fence lines of the Brown and the Benton farm properties to a farm road as it approaches Fourth Line. It crosses Fourth Line and climbs a hill to join the Canada Goose Side Trail. This trail together with the Canada Goose Side Trail and the main Trail forms a 5.6 km loop.
