Map #14 – Heritage Road

The main Trail upon exiting the Terra Cotta Forest Conservation Area has taken on a new configuration. The new Trail segment heading north east upon leaving the Conservation property to Heritage Road amounts to 810 m in length. The abandoned section of main Trail was 1.4 km. In effect this has shortened the Rockside Side Trail by 885 m and extended the Terra Cotta Side Trail by 1.1 km. The map image displays the new configuration.
