Bruce Trail Club Volunteer Position Description

Land Steward

Land Stewards are the long-term caretakers of BTC lands. It is their responsibility to keep an eye on their designated property on behalf of the BTC and the local clubs

Essential Elements:

- Read the Volunteer Orientation Booklet including the Volunteer Pledge and sign the BTC Confidentiality Agreement
- Visit property at least 2 times per year, in the spring and fall. Land Stewards encouraged to visit their property at other times throughout the year. Additional site visits may be required if issues arise that need to be addressed, for example, garbage cleanup, leading a tour, consulting on a planned reforestation program, a quick inspection after a serious storm.
- Complete the Land Steward Annual Monitoring report in a timely manner and submit it electronically
- Follow the procedures in the Land Stewardship Training Manual

It is helpful to have:

- Good observation skills
- Some ability to read and understand a land survey
- Knowledge of local flora and fauna
