

**Bruce Trail
CONSERVANCY**

Corporate Volunteer Program

Corporate volunteering is a low cost way for you to do team building, increase employee satisfaction and improve the morale of your workforce. Your company will help to support a stable, healthy community, and will give your employees a chance to spend a day outside on the magnificent Bruce Trail.

For each corporate volunteer event, we ask that a donation be made to the Bruce Trail Conservancy. Donations help to cover the costs associated with creating a fantastic volunteer day for your group.

- 1-20 people – minimum donation of \$500 to the Bruce Trail Conservancy
- 21-50 people – minimum donation of \$1000 to the Bruce Trail Conservancy

All corporate events will include:

- A map to navigate to the site
- Interpretive nature hike on the Bruce Trail
- Skilled ecologists to lead you through the day

Please remember:

- Proper footwear (no open-toes shoes) and clothes that can get dirty are necessary
- Work gloves are provided however, volunteers welcome to bring their favourite gardening gloves
- Lunch and water to be coordinated by corporate group
- There are no toilet facilities on site

Corporate volunteer events are only available during the following months and these locations:
