Caledon Hills Map #15 – Forks of the Credit

As a result of the viewing platform having been closed and impassable in May 2015, two dead end side trails have been created. Each side trail terminates at either side of the viewing platform.

Mill Pond Side Trail = 1.6 km

Cataract Side Trail = 1.1 km

In addition, the former Quarryman's Side Trail has now become the main Bruce Trail.

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.

Consider becoming a member today, it's only \$50 per year, or make a donation. Call 1-800-665-4453 or visit www.bruce-trail.org
