Map #32 – Sydenham Nature Reserve Side Trail

A new side trail has been built on land that was generously donated to the BTC by Clifford Keeling.

This trail has been designed for cross country skiing as well as hiking. It would be best to ski the loop in a counter clockwise direction. Given that the trail traverses some areas with very rocky ground, it should only be skied when there is deep snow cover.

Sydenham Nature Reserve Side Trail = 2.8 km

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.

Consider becoming a member today, it's only \$50 per year, or make a donation. Call 1-800-665-4453 or visit www.bruce-trail.org
