THE BRUCE TRAIL
CONSERVANCY

Niagara Map #4 - Jordan Side Trail

The northern most portion of the Jordan Side Trail has been rerouted due to a house being built.

The southern most portion was rerouted to avoid widening the gully and unpredictable water levels in the creek from late fall to spring.

Jordan Side Trail = 730 metres

June 2011

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.

Consider becoming a member today, it's only \$50 per year, or make a donation. Call 1-800-665-4453 or visit www.brucetrail.org
