

Bruce Trail CONSERVANCY

Beaver Valley Map #27 - reroute at Sideroad 10B

The main Trail has been moved to the more easterly side of the BTC's McKay property in order to avoid the dense infestations of jewel weed which mask the difficult terrain of jumbled rock at the base of the Escarpment. The reroute provides a longer, but more pleasant walk, in a deciduous forest with views of the escarpment face from time to time.

New main Trail segment = 700 metres
Abandoned main Trail = 790 metres

Nov 2012

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.

Consider becoming a member today, it's only \$50 per year, or make a donation. Call 1-800-665-4453 or visit www.bruce-trail.org
