Bruce Trail CONSERVANCY

Beaver Valley Map #28 – Fairmount Passage

This triumphant reroute is a prime example of the BTC's success in achieving its mission of creating a conservation corridor. Thanks to our volunteers, willing landowners who donated or sold their land, and donors who provided the necessary funding, the BTC was recently able to entirely secure this entire corridor between Sideroad 25 and Grey Road 40. The new route contains 2.8 km of Bruce Trail optimum route and passes through four BTC-owned properties.

- New Route = 2.8 km
- Abandoned Route = 3.8 km
- Trail taken off of road = 2.6 km

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.
