Caledon Hills Map #16 – Finnerty Sideroad

Where the Trail previously followed Finnerty Sideroad, it now leaves the road to the south into a shady stream valley. It then crosses over a steep-sided ridge and passes through semi-open woodland with good examples of black cherry and butternut trees, to emerge just south of the intersection of Finnerty and Innis Lake Road.

New Trail Segment = 430 metres

Trail taken off of road = 340 meters (not shown on map)

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.

Consider becoming a member today, it's only \$50 per year, or make a donation. Call 1-800-665-4453 or visit www.bruce-trail.org
