Property Highlights: sinkholes, karst features and habitat for grassland birds such as the Bobolink, a Species At Risk.

*New Trail Segment = 1.8 km*  
*Trail taken off of road = 830 meters*  
*Total Abandoned Trail = 1 km*

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.
