## Sydenham Map #31 – Bothwell's Corner

Through the generous permission of the KOA campground owners, the main Bruce Trail has been rerouted through the campground enabling the Trail to access BTC land.

In addition, the KOA Side Trail has been extended onto the campground road to intersect with the main Bruce Trail.

*New Main Trail Segment = 8 km (shown on the map in black)*  
*KOA Side Trail = 620 meters*

*Note: This new reroute is now in effect over the previously published reroute of the same name, posted on Feb 19, 2016.*

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.
