Peninsula Map #38 – McKay's Harbour

The map above displays a new configuration that has taken place at McKay's Harbour as a result of high water levels.

The Donna Baker Side Trail has been named to honour Donna, her long-time support of the Bruce Trail and her love of the trails at Lion's Head.

In addition, the eastern portion of the Inland Side Trail has been temporarily closed from the Geodetic Side Trail eastbound to the main Bruce Trail due to logging activity on private land.

New Main Trail = 290 metres (280 metres shorter than it was)

Donna Baker Side Trail = 660 metres

McKay's Harbour Side Trail = 200 metres

We are happy to provide this reroute map to you as a service to encourage you to use the Bruce Trail. This service is provided thanks to the generosity and support of Bruce Trail Conservancy members and donors. In addition to maintaining the Bruce Trail, we continually strive to purchase land along the Niagara Escarpment with the goal of securing the Trail and creating a conservation corridor.

Consider becoming a member today, it's only \$50 per year, or make a donation. Call 1-800-665-4453 or visit www.brucetrail.org
